The Shaw Family continues to demand an investigation into the brutal murder of their beloved son, Jamiel Shaw, II, on March 2, 2008. The defendant, a criminal alien gang member, was erroneously released from jail and within 24 hours, Jamiel was murdered. While Jamiel's mother was defending her country in Iraq, her 17 year old son was gunned down, just three houses from his home in Los Angeles

**If you can't attend, please support us by calling District #2 at  
213.974.2222**

**TOGETHER WE STAND!  
THANK YOU!!**
